| Flip | | | | | | Odd/Even | | | | |

DOUBLE ACTION GAME - Played on a 1-up card there are 2 numbers in each square if either number is called you mark the entire square. It will be played to a full card, with prize payout 50% of card sales. This Game will be played between game 4-5

ODD/EVEN GAME - Played on a 1-up card. The first called number on the corner baseball will determine if odd or even numbers are marked free. If B8 (even number) comes out first mark even, if B3 (odd number) comes out first mark odd. This is the last game, played after Page 8
